

# Town of Barnstead New Hampshire

## 2019 Annual Report

## **Dedication to Gordon Preston**

This year's book is being dedicated to Gordon Preston, a caring and influential man who shared 30+ years of dedicated service to the Town of Barnstead. Gordon was involved in our community in many ways. He joined as a volunteer member of the Fire Department and Rescue Squad when he and his family first moved to Town. He became a United States Citizen and then ran for School Board. Gordon also ran for Select Board years later. He was elected to the Board and remained active serving multiple terms. He also helped out at the Food Pantry whenever assistance was needed.

Gordon and his family helped many residents in Town after the Tornado of 2008 hit Barnstead. He was more than happy to assist with a chain saw while clearing the roads filled with large branches and debris. Gordon never liked to brag about helping others, he just "got it done", no questions asked.

Barnstead is very lucky to have been the recipient of Gordon Preston's endless dedication and outstanding service for many years.

**In Memory of  
Gordon Preston  
1943 – 2019**

ANNUAL TOWN MEETING.....	Saturday following Election

## BOSTON POST CANE

Congratulations to Gertrude!

Gertrude Romansky was presented the Boston Post Cane on March 16, 2019 at her home by Priscilla Tiede, Edward Tasker and Rick Duane.

Gertrude and her husband Alexander moved to Barnstead in 1964 and purchased the “Evergreen Clam Bar” which they operated for four years. Gertrude and Alex had two children, Marilyn and Richard.

Gertrude started her career in life at 18 years of age by joining the service where she served our country well. In later years, she was a volunteer for the Pittsfield Senior Center for 12 years. She enjoyed walking, reading, and spending time with family and friends.

Gertrude will be celebrating her 97<sup>th</sup> Birthday on February 11, 2020. We wish you happiness and thank you for being such a special part of Barnstead.

## Barnstead's Municipal Christmas Tree

Thanks to all the Volunteers who helped

## Selectmen's Report

In March of 2019 Selectman Priscilla Tiede resigned after 8 years of dedicated service and shortly thereafter, in April, Selectman Sean Dunne also resigned after serving 3 years. It was with deep regret that their resignations were accepted and the Board thanks them for their outstanding service and dedication. The remaining Board Members appointed Diane Beijer to fill Priscilla's vacancy and later appointed Paula Penney to fill the Sean's vacancy. Both individuals brought valuable experience to the positions (Diane with 14 years on the School Board and Paula with 34 years at the Secretary of State's Office) and served with distinction for the remainder of the year.

The Board of Selectmen and the Acting Fire Chief have determined that Barnstead should have a fulltime fire chief. It seems that the position requires more time and attention than can be served by a part-time chief. Presently a search is underway to fill the position with a qualified individual. In November, Al Poulin was hired as our Deputy Fire Chief, who comes to us with decades of experience in fire service.

Finishing touches were completed on the Police Station to include outdoor improvements of striping the parking lot and erecting a granite sign at the entranceway and indoor improvements of a new computer system and new technology. In August, Officer Derik Bettencourt was promoted to Sergeant.

The Highway Department received \$37,625 of funds from the NHDES grant that enabled the purchase of the new 2019 Highway plow truck. The Road Agent and crew were able to complete just over 5 miles of new pavement on the roads as well as many other projects.

The Selectmen, with some prodding from the public, have also determined that it was time for Barnstead to have a fulltime Town Administrator. Thankfully, and obviously, the right person was close at hand. The Board appointed Karen Montgomery by a unanimous vote.

Lastly, it has become more and more obvious in recent years that the town has outgrown the old Town Hall as a location to vote, in any of the elections and primaries we participate in. It is time we look at the prospect of redesigning and expanding the Town Hall and associated office space. The Committee that was formed in 2006 to review the space needs of the town buildings overwhelmingly determined that the Town Hall was the building in most need.

Respectfully submitted by your Board of Selectmen,

**Edward Tasker, Chairman ~ Diane Beijer, Vice-Chairman**

**Richard Duane ~ Lori Mahar ~ Paula Penney**

"It is not the critic who counts, not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena."

-Teddy Roosevelt

# STATE OF NEW HAMPSHIRE

## Town of Barnstead

### Warrant for 2020 Annual Meeting

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Tenth (10<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

2 Selectmen	3 year terms
1 Selectman	2 year term
1 Library Trustee	3 year term
1 Trustee of Trust Funds	3 year term
1 Supervisor of Checklist	6 year term
1 Supervisor of Checklist	4 year term
2 Planning Board Members	3 year terms
2 Budget Committee Members	3 year terms
1 Budget Committee Member	2 year term
1 Overseer of Public Welfare	1 year term
1 Road Agent	3 year term
1 Moderator	2 year term

2. To vote by official ballot on amendments to the Barnstead Zoning Ordinance, as proposed by the Barnstead Planning Board and Zoning Board of Adjustment, as follows:

1. Are you in favor of the adoption of question #1, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board and Zoning Board of Adjustment, as follows:

To revise Article 4, Section 2.07 of the Zoning Ordinance – Shoreline Lots, to change “To allow as a matter of right an open deck up to 8 feet wide from all shoreline lots” to: “To allow as a matter of right an open deck up to 10 feet wide from all waterfront lots”.

2. Are you in favor of the adoption of question #2, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows;

To amend Article 4, Section 4.03-1 of the Zoning Ordinance, entitled “Steep Slopes, Sediment and Erosion Control Plan”, so that said Section reads as follows:

A sediment and Erosion Control Plan will be prepared by a New Hampshire licensed professional engineer or Certified Professional Erosion Sediment Control (CPESC) that shows specific methods that will be used to control soil erosion and sedimentation, soil loss, and excessive storm water runoff, both during and after construction. The deed to any lot on which such methods are required by the Sediment and Erosion Control Plan shall provide that the owner shall be obligated to maintain all required sediment and erosion control drainage systems; and that such obligation shall be appurtenant to the lot.

3. Are you in favor of the adoption of question #3, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To revise Article 2, Definitions, to add “Overlay District” – Overlay zoning is a regulatory tool that creates a special zoning district, placed over an existing base zone(s), which identifies special provisions in addition to those in the underlying base zone. The overlay district can share common boundaries with the base zone or cut across base zone boundaries. Regulations or incentives are attached to the overlay district to protect a specific resource or guide development within a special area.

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 14<sup>th</sup>, 2020, at 9:00 a.m. at the Barnstead Elementary School.**

3. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto.
4. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the fourth payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 14 cents per \$1000 of assessed valuation).
5. To see if the Town will vote to raise and appropriate the amount of One Hundred Twenty Four Thousand Three Hundred Sixty Four Dollars (\$124,364) for the purpose of making improvements to Damsite Road per the Department of Environmental Services orders. One Hundred Twenty Four Thousand Three Hundred Sixty Four Dollars (\$124,364) to come from unassigned fund balance. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0.) (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
6. To see if the Town will vote to raise and appropriate the amount of Seven Thousand Fifty Two Dollars (\$7,052) for the purpose of purchasing a tractor for the Parks & Rec Commission to utilize and to authorize the withdrawal of Seven Thousand Fifty Two Dollars (\$7,052) from the Parks & Recreation Facility Capital Reserve Fund created for this purpose (current balance \$48,221). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Not Recommended by Budget Committee 1-for, 4-opposed, 3 abstentions). (Tax rate impact: 0 cents).

7. To see if the Town will vote to raise and appropriate the amount of Fourteen Thousand Dollars (\$14,000) for the purpose of repairing the ice rink and maintaining the grounds at the Parks & Rec facility and to authorize the withdrawal of Fourteen Thousand Dollars (\$14,000) from the Parks & Recreation Facility Capital Reserve Fund created for this purpose (current balance \$48,221). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 6-for, 1-opposed, 1-abstention). (Tax rate impact: 0 cents).
8. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$402,888). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 11 1/2 cents per \$1000 of assessed valuation).
9. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000) to be placed in the Road Paving and Maintenance Expendable Trust Fund (current balance \$25,563). Two Hundred Thousand (\$200,000) to be raised by taxation and One Hundred Thousand (\$100,000) to come from unassigned fund balance. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 7-1). (Tax rate impact: 33 cents per \$1000 of assessed valuation).
10. To see if the Town will vote to raise and appropriate the amount of Thirty Seven Thousand Six Hundred Twenty Five Dollars (\$37,625) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund. Said funds to come from unassigned fund balance and is the reimbursement from the State of New Hampshire Clean Diesel DERA Grant for the purchase of the 2019 Highway Truck. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
11. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund (current balance \$25,473). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 7-1). (Tax rate impact: 8 cents per \$1000 of assessed valuation).
12. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Rescue Expendable Trust Fund (current balance \$124,874). Twenty Five Thousand Dollars (\$25,000) to be raised by taxation and Twenty Five Thousand (\$25,000) to come from unassigned fund balance. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 4 cents per \$1000 of assessed valuation).
13. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust Fund (current balance \$12,983). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation).

14. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) to be placed in the Parks & Recreation Facility Capital Reserve Fund (current balance \$48,221). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 8-0). (Tax rate impact: 3/4 cent per \$1000 of assessed valuation).
15. To see if the Town will vote to raise and appropriate the amount of One Dollar (\$1.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$64,236). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
16. To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) to be placed in the Public Safety Building Capital Reserve Fund (current balance \$100,264). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 5-3). (Tax rate impact: 16 cents per \$1000 of assessed valuation).
17. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust Fund (current balance \$30,837). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
18. To see if the Town will vote to raise and appropriate the amount of Fifteen Thousand (\$15,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$2,733). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 6-2). (Tax rate impact: 2 cents per \$1000 of assessed valuation).
19. To see if the Town will vote to raise and appropriate the amount of Nine Thousand Nine Hundred Five Dollars (\$9,905) to be placed in the Milfoil Treatment Expendable Trust Fund. Said funds to come from unassigned fund balance and is the reimbursement from the State of New Hampshire for the Aquatic Plant Control Grant for the treatment of milfoil. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).
20. To see if the Town will vote to raise and appropriate the amount of Thirty Six Thousand Dollars (\$36,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$913). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 6 cents per \$1000 of assessed valuation).
21. To see if the Town will vote to raise and appropriate the amount of Eight Hundred Dollars (\$800) to be placed in the Cistern Construction and Maintenance Fund (current balance \$34,586). Said funds to come from unassigned fund balance and is a donation from a resident for this purpose. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 0 cents).

22. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Fund (current balance \$34,586). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: 1 ½ cents per \$1000 of assessed valuation).
23. To see if the Town will vote raise and appropriate the amount of Three Thousand Dollars (\$3,000) to be placed in the Library Computer Expendable Trust Fund (current balance \$109). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0). (Recommended by Budget Committee 8-0). (Tax rate impact: ½ cent per \$1000 of assessed valuation).
24. To see if the Town will vote to discontinue that portion of old Route 28 that was reassigned to the Town after the completion of the reconstruction and realignment of Route 28 in 1933 beginning at Map 14, Lot 17 through Map 14, Lot 13 and Map 47, Lot 16 through Map 47, Lot 1. (Recommended by Selectmen 5-0).
25. To see if the Town will vote to authorize the Selectmen to sell the town-owned property at Map 30, Lot 17, Fire Lane #9 and to negotiate the terms and conditions of such sale in the Town's best interest. (Recommended by Selectmen 4-1).
26. To see if the Town will vote to approve the annual Lease Agreement between the Town and Butler Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to Butler Bus Company to allow the parking of Butler's school buses. Butler Bus pays property taxes on that portion of the property that is used. (Recommended by Selectmen 5-0).
27. By petition of 25 or more eligible voters of the Town of Barnstead, NH to see if the town will urge that the New Hampshire General Court, which is obligated to redraw the maps of political districts within the state following the 2020 census, will do so in a manner that ensures fair and effective representation of New Hampshire voters; that in order to fulfill this obligation, the New Hampshire General Court shall appoint an independent redistricting commission that draws the new district maps in a way that does not rely on partisan data such as election results or party registration or favor particular political parties or candidates. The record of the vote approving this article shall be transmitted by written notice from the Select Board to the Town of Barnstead's state legislators and to the Governor of New Hampshire informing them of the instructions from their constituents within 30 days of the vote. (Submitted by Petition).
28. To see if the municipality will vote to raise and appropriate the Budget Committee's recommended sum is \$4,413,172 for general municipal operations. This article does not include appropriations by special warrant articles and other appropriations voted separately.
29. To transact any other business that may legally come before this meeting.

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Selectboard and Management  
Town of Barnstead, New Hampshire

**Report on the Financial Statements.** We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire as of and for the year ended December 31, 2019 and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.<sup>1</sup>

**Management's Responsibility for the Financial Statements.** Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility.** Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions.** In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Barnstead, New Hampshire, as of December 31, 2019, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Report on Required Supplementary Information.** Accounting principles generally accepted in the United States of America require that the *Management's Discussion and Analysis* beginning on page iii and the budgetary and pension information presented in the section marked *Required Supplementary Information* be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board who

considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

**Report on Combining and Individual Fund Statements and Schedules.** Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town of Barnstead, New Hampshire's basic financial statements. The accompanying schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements as a whole.

*Paul J. Mercier, Jr. cpa for*

Grantham, New Hampshire

February 16, 2020

<sup>1</sup>This auditor's report refers to the full set of GAAP financial statements on file with the Selectboard and not the individual reports and schedules published in the Town Report.

# Assessor's Report

After completing a sales ratio study, the Town decided it was NOT necessary to update all property values for the 2019 tax year. Therefore the 2019 assessments remain the same as 2018, unless a property had improvements or an error was corrected.

The NH DRA has determined the equalization rate for 2019 to be 95.7%. Any taxpayer that feels their property's equalized assessment does not reflect the market value of the property may file an abatement by March 1, 2020. When filing your abatement application, only valid arms length transactions may be used as comparables. Foreclosure, bank sales and family sales are not considered valid sales. The abatement applications are available in the Selectmen's Office or online at [www.nh.gov/btla](http://www.nh.gov/btla).

The deadline for submitting all exemption and tax credit applications is April 15 for the tax year applied for. These include elderly and blind exemptions as well as veteran's tax credits. If you feel you qualify for any of these as of April 1, 2020, stop by the Selectmen's Office to fill out an application.

For 2020, the Town has continued its contract with R. B. Wood & Associates. A representative of the assessing firm is available at the Town Hall on Wednesdays for any taxpayer questions.

Respectfully submitted,

Rod Wood, CNHA CMA  
Real Estate Appraiser Supervisor  
R. B. Wood & Associates

# Building Inspector's Report

2019 produced 21 new homes in Barnstead; a decrease by 5 homes from the previous year. A total of 36 new home permits were allotted for 2019. This left 15 permits unused for 2019. Left over permits from 2019 will not roll over into the 2020 new home permit allotment as per 12-8.01.

On Sept 19 2017 due to the severe water shortage issues for those connected to the Pennichuck Water Co. system in Locke Lake Colony, the Barnstead Selectman unanimously voted to place a hold on further issuance of building permits in Locke Lake Colony. This hold will continue until such time the water shortage can be resolved. One exception to this ruling was made for those who had the ability to legally site a well along with a NHDES approved septic system on their property that would supply sufficient water to the residence. For those who own land in Locke Lake Colony with hopes of building a new home, please keep in mind that until the Selectman determine the water shortage has been resolved, or unless you can drill your own well, no building permits for new homes can be issued in LLC. This ban does not prohibit existing residents in LLC from obtaining other building permits for repairs, additions, garages etc.

If you live in Locke Lake Colony, Birchwood Hideaway or any other Association with deeded restrictions, it is your responsibility to obtain the appropriate permits through your Association. The Town of Barnstead Building Department does not approve permits on behalf of private associations, nor enforce association rules, regulations or deed restrictions.

New homes permits allowed for 2020 were calculated as follows:

The total target dwelling units (TDU) per the assessing office as of 12/31/19 was 2369.

As per section 12-7 2015 Town of Barnstead Zoning Ordinance:

$$\text{TDU } 2386 \times 1.5\% = 35.79$$

Questions regarding rounding fractional numbers, whether to round down if less than .5 or up over a whole number. Legal clarification was provided to the Town administration. It was determined that anything over a whole number would require rounding up to the next highest whole number.

With this, 2020 will allow for 36 new home permits.

In 2019 a total of 509 permits were issued including 31 Certificates of Occupancy and 14 Certificates of Completion.

The total revenue collected in 2019 by this office was \$49,605.39

If you are planning to make any structural improvements, additions, electrical and/or plumbing changes to your home, a permit is required before any work commences. The Barnstead Building Inspector position is a part-time position so please call 603-269-4071 x 110 or the Building

Inspector's cell at 603-235-6469 to schedule appointments. The Building Inspector is also available every Tuesday evening (unless otherwise noted) between 5:00 and 7:00 P.M. for walk-ins – no appointment is necessary or by e-mail at [buildinginsp@barnstead.org](mailto:buildinginsp@barnstead.org). Please keep in mind that Tuesday evenings can be very busy, and a reply by email may take a few days.

Please remember if you have a current active building permit you must call for periodic inspections as laid out in your inspection checklist which includes a final inspection. Upon every satisfactory final inspection, a certificate of completion or occupancy is issued, and this certificate will then prompt us to close your existing permit and its associated file(s). Those who do not call for a final inspection may receive a letter generated from the Building Department requesting a permit renewal at the end of the 12 month period the permit is active.

If you are installing a wood or pellet stove, water heater, heating system or propane tank, a fuel line (either new or swapping out), a mechanical permit is also required. These inspections are done by the Barnstead Fire Departments' Inspector, Gary Doucette.

Effective Sept. 15, 2019, The NH State Building Code has been amended in accordance with BCR 300. The Town of Barnstead now uses the 2015 versions of International Building and Residential Codes, International Existing Building Code (IBC & IRC), International Energy Conservation Code, International Plumbing Code, Life Safety 101, International Swimming Pool & Spa Code, State Fire Code saf-C-6000, and the 2017 National Electric Code.

Respectfully submitted,

Fab Cusson, Building Inspector/Code Enforcement Officer

# Conservation Commission Report

The Barnstead Conservation Commission would like to take this opportunity to thank the community for its support, and report on the various activities undertaken in 2019, on behalf of the Town. The Commission continues to focus its efforts on maintaining conservation and recreation parcels under its management, as well as work to develop new conservation easements across the community, for the purpose of encouraging the proper utilization and protection of the natural resources of the Town.

To that end, the Commission has been working with the NH Department of Transportation and Bear-Paw Regional Greenways to develop a 100-acre conservation easement off Gilmanton Road, near the Harrison property. This project is intended to compensate for proposed wetland impacts associated with the continuation of the Route 28 improvements, north of Peacham Road. At this point, the project is moving through the administrative process and should be completed in 2020.

The Harrison Natural Area continues to be a major focus of the Commission. A proposal to build a lean-to on the site of the cabin that was destroyed in 2017 is being designed with the assistance of local contractors as well as town representatives. We hope to make progress on that project in the coming year. Normal maintenance projects conducted this past year included brush-hogging the 5 acre field in front of the cabin site in order to maintain the field habitat. Invasive tree and shrub species were also removed from the field by the Commission members and the access road to Upper Suncook Lake was maintained with the assistance of neighbors.

The Commission continues to work closely with the Bear-Paw Regional Greenways group, a land trust from Deerfield. As a member community of the Bear-Paw group, Barnstead continues to benefit from their expertise in land protection projects and we expect to coordinate further with them in the coming years. We also would like to encourage Barnstead residents to become members of the organization in order to support their work and show our local support. Newsletters are available at the Town Hall and Oscar Foss Library with additional information.

The Barnstead Conservation Commission also remains an active contributor to The Belknap Range Conservation Coalition (BRCC). The Belknap Range area is an important asset available to the residents of Barnstead, and includes the headwaters of the Suncook River, as well as Mount Major, and Gunstock Mountain. BRCC continues to work on various conservation and land protection projects in that region and is always interested in new members and other assistance as well.

\*Please note: This past summer, a local resident identified the presence of Wild Parsnip (*Pastinaca sativa*) on Shackford Corner Road. This plant is on the NH Invasive Plant Species Watchlist because of its aggressive nature. We are pointing out this species for your information due to its ability to cause severe rashes and blistering. To the best of our knowledge, the plant currently seems to be restricted to roadsides but it is recommended property owners familiarize themselves with the plant and its control measures.

Once again, the Conservation Commission is seeking new members. Our membership is low enough to affect our ability to tackle new projects, as well as meet the responsibilities required of the various parcels under the Commission's management and control. The Commission meets every month, September through May, with the occasional summer work sessions, as needed. So, please consider participating in the Commission or simply attending meetings to see what it is all about. Any one is welcome at our regular meetings on the first Wednesday of each month at 7:00 at the Town Hall. Please feel free to contact Jim Fougere with any questions or comments.

Respectfully submitted,  
Jim Fougere, Chairman 269-4264

# Emergency Management Report

The Town's role in Emergency Management is to coordinate the disaster response of all town departments and services in order to save lives, reduce suffering, restore essential services and minimize the damage caused by natural and manmade events.

This is accomplished through policy and plans development, fiscal management, resource and event management, and by providing programs and resources that help individuals and families better prepare for and respond to emergencies.

2019 was a year without major disaster events in Barnstead, however the Emergency Management Department was not without activity and opportunities to improve the community's response efforts.

In 2019, we completed an update to the town's Hazard Mitigation Plan. This 5-year plan must be completed, approved, and on file with State Emergency Management in order for the Town to apply for any FEMA grant program funds.

We approved the following major mitigation and non-mitigation projects in the 5-year Action Plan that was developed as the culmination of this planning process:

1. Install new cisterns and dry hydrants per the Rural Water Supply Study.
2. Increase the capacity of culverts on North Barnstead Rd, Narrows Rd and Gray Rd.
3. Install/Update lightning protection systems on Town facilities.
4. Install security film for doors and additional cameras and door locks at the Elementary School.
5. Purchase a generator for the Elementary School (Primary Town Shelter Use).
6. Install a hardline phone at Parade Fire Station (Town EOC).
7. Purchase/install gasoline fuel tank at the Highway Department.

The Emergency Management Director represented you at state storm and incident conference calls, as part of the Winnepesaukee Public Health Region (WPHR) planning team, with awareness booths at Old Home Day and the Police Department's "National Night Out," at school and Town safety meetings, with the Granite State Health Care Coalition, and at various trainings and meetings with NH Homeland Security and Emergency Management (NH HSEM).

During 2020 the EMD will work with Town Officials and department heads to:

1. Continue an "All Community" preparedness awareness program.
2. Liaison with school department staff, state, county and adjoining towns to better coordinate mutual support during disasters.
3. Work with Town Officials, department staff and community stakeholders to update the Town's Local Emergency Operations Plan.
4. Update and submit for approval the annual Letter of Agreement with the Bus Company to provide emergency mass transportation.
5. Establish and equip an Emergency Management materials trailer.
6. Monitor and implement the projects identified in the 2019 Hazard Mitigation Plan.

7. Assist the Elementary School with the installation of a generator and develop a Sheltering Plan for our community at the school.

The Emergency Management Department encourages you to continue your efforts to prepare yourselves and your families. There are many ways to do this, however here are a few suggestions:

Apply for NH Alerts: [www.ready.nh.gov](http://www.ready.nh.gov)

Join Next Door: <https://nextdoor.com>

Consider these planning tips at the Ready.gov site: [www.ready.gov](http://www.ready.gov)

If you need assistance making your home safer or your family more resilient, do not hesitate to contact the Emergency Manager.

Respectfully submitted,

Wayne W. Santos  
Emergency Management Director

# Barnstead Fire Rescue

As we say goodbye to 2018, we find ourselves excitedly looking forward to the challenges that are ahead. One thing that kept us very busy was staff changes. Out of our six full time staff, we have had two openings. FF/EMT Gary Doucette suffered a substantial injury while fighting a fire. Although Gary's future is unclear, I can assure you Gary and his family is in our thoughts daily as he recovers. We also had the pleasure of working with FF/EMT Zachary Jackson. Zach was fortunate enough to be accepted at his "dream job" after only one year with us. I can only thank Zach for helping us when we were in need, and we all found it very rewarding to work with him. Thank You Zach.

We have welcomed two new full time personnel. FF/EMT Frank Pevear and FF/EMT Troy Normandin. I am confident they will both be a valuable asset to Barnstead. Please welcome them both.

We have also welcomed Deputy Fire Chief Al Poulin. Al comes to us with decades of experience in the fire service. Al will manage the day to day operations and assist us in addressing the growing needs that we are facing. Please welcome Al if you see him.

We are always looking for new call members. Helping your community can be very rewarding. It is also a great way to learn a new skill that you might find useful in your full time job, or to help your own family if the need arises. After a background check and physical are completed, we will provide all the necessary training. Stop by the station for an application.

I have several items that I would like to ask for your support at Town Meeting. The first is a Warrant Article to purchase Auto Extrication Equipment. Our tools are all over the age of 16 years, with some well over 20 years old. They do work well as intended, and are in service and being used today. But the technology of how the vehicles are manufactured has changed dramatically over the years. I am asking to add some new tools to the apparatus to assist us in being more effective and up to date in our response. Another is the budget. Some of our line items were adjusted during the budget process. I will ask that they be supported on the floor at Town Meeting. The last is a Full Time Fire Chiefs Position. Although we did have this position in the past, I have been filling the position as a part time call member for a number of years. I certainly believe the community deserves the results of a Full Time Chief.

As always, my Thank You to our department members and their families, staff at the town office, Police, Public Works, and Mutual Aid from other communities. And I always thank you the taxpayers, who have supported us for decades.

Respectfully Submitted

Shawn Mulcahy

Fire Chief

Town Of Barnstead

# Barnstead Firefighters Association

Barnstead Firefighters Association (BFA) was formed in 2011 to provide additional support and aid to the town's Fire Rescue Department, at no cost to the taxpayers. Consistent with that goal, the Barnstead Firefighters Association has engaged in a number of activities during calendar year 2018 that lent support to the Barnstead municipal Fire Rescue Department.

## Road Race

BFA sponsored the seventh annual Barnstead Firefighters Association road race on August 17, 2019. The August day was a beautiful day for a road race and runners were very enthusiastic about their participation. The number of runners was lower than in previous years, but the race raised \$616.00 for the Association. The 2020 road race is yet to be scheduled. Once it is scheduled, pre-registration and on-line registration information will be announced.

## Gilmanton-Barnstead Fire Explorers

Barnstead Firefighters Association, in conjunction with Gilmanton Firefighters Association, sponsors the annual membership for the Gilmanton-Barnstead Fire Explorers Post 900 - 901.

The Gilmanton-Barnstead Fire Explorers is an organization that enables teenagers to learn teamwork skills, organizational skills and firefighting expertise by teaching them firefighting work practices.

The Explorer program remains very active. Training for the group has included fire scene size up and communications, fire ground strategy and tactics. Explorers have also assisted at a number of fire scenes, providing valuable assistance with hoses and firefighting equipment.

The Explorer organization is open to any teen aged fourteen to eighteen. Teens interested in joining the organization can telephone Barnstead Fire Rescue Station 2 at 269-4121.

## Jake Weber Scholarship

Jake Weber was a Barnstead firefighter who tragically passed away at age 30 years. Barnstead Firefighters Association has established a scholarship fund to honor his memory. This is a scholarship that is awarded by the Barnstead Firefighter Association to any Barnstead resident graduating high school who plans to continue education toward a firefighting or emergency medical response career. Information concerning application for the scholarship can be obtained by contacting Barnstead Fire-Rescue personnel at the Center Barnstead fire station.

## Memorial Service

Barnstead Firefighters Association offered assistance to the family of Brenda A. Rott for a memorial service to celebrate her life following her passing. Brenda was an EMT with the Center Barnstead ambulance service for several years. She was a long-time resident of Barnstead and a former owner of Barnstead Country Store. She was the mother of current Barnstead firefighter Nick Rott.

# Report of Forest Fire Warden and State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The Forest Protection Bureau and local fire departments were very busy this year celebrating Smokey Bear's 75<sup>th</sup> year preventing wildfires. Many events were held at local libraries, in fact, this program was so successful we will be offering it again in 2020. We were fortunate enough to partner with the Northeast Forest Fire Protection Compact and bring the Smokey Hot Air Balloon to Franconia Notch in August. The weather was fantastic and hundreds of people got the chance to ride in the balloon! Smokey's message has always been about personal responsibility – remember his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done.

**"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2020 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nh.gov/nhdf/](http://www.nh.gov/nhdf/).

## 2019 WILDLAND FIRE STATISTICS

(All fires reported as of December 2019)

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2019	15	23.5	92
2018	53	46	91
2017	65	134	100
2016	351	1090	159
2015	143	665	180

\* Unpermitted fires which escape control are considered Wildfires.

## CAUSES OF FIRES REPORTED

(These numbers do not include the WMNF)

Arson	Debris Burning	Campfire	Children	Smoking	Railroad	Equipment	Lightning	Misc.
4	3	1	0	1	1	1	1	3

# Health Officer Report

Health Officials have a critical role in effective local and regional environmental and public health systems and are responsible for three critical functions.

Our first role is to enforce applicable New Hampshire Laws and Administrative Rules (i.e. regulations), as well as local Ordinances and Regulations.

The second critical function is to serve as a Liaison between State Officials, local Elected Officials, and our community on issues concerning local environmental and public health.

The third is to be a leader and an active participant in efforts to develop regional environmental and public health capacities.

Below is a list of the most common roles of the Barnstead Health Officer:

We may be called upon to assist the DHHS, Bureau of Communicable Disease, to act as liaison to local citizens by linking them to state, local and federal resources. We will distribute or display materials / health alerts produced by local, state and national partners. Generally we will post all health alerts as they come in, on the town bulletin board next to the Town Clerk's window.

We conduct sanitary investigations into complaints and public nuisances that may endanger public health including a buildup of garbage, dead animals (and their burial), insects, unsanitary living conditions, rodents, and safe drinking water inspections. We will inspect septic systems to determine if a system has failed and, when necessary, coordinate with the NH Department of Environmental Services to certify septic system failure. The Health Department along with the Building Department can also be the enforcement of NH RSA 48A Minimum Housing Standards for rental units as per 3-5 of the Barnstead Zoning Ordinances.

Though more rare, we also conduct the inspection and give approval to schools, and/or facilities used to provide Childcare and Foster Homes. Along with taking water test as needed of public/private water supply suspected of being unsafe, per directives from the Department of Environmental Services.

In 2019, we noted a vast improvement over 2018 mice and rat infestations. If you are experiencing a rodent infestation below are a few tips that can help you.

- \*Keep all trash sealed in metal containers. Empty containers at the waste facility as often as possible.
- \*Seal up all food in your house.
- \*Thoroughly inspect your home for any openings, cracks or separations where rodents can enter.
- \*Seal all possible points of entry including stuffing the area surrounding any pipes or small holes...
- \*Set traps.
- \*If you are having a difficulties in resolving the problem on your own, we highly recommend you call an exterminator before the problem worsens and damage ensues.

If you have a public health concern Fab can be reached directly by phone or text (603) 235 6469, or Mary Jane can be reached at (603) 269-4071 x 111.

Respectfully submitted,

Fab Cusson, Health Officer  
Mary Jane Dascoli, Deputy Health Officer

# Barnstead Historical Society

In partnership with the Oscar Foss Memorial Library two presentations were scheduled through NH Humanities. In July, Jeff Warner offers brought *Songs of Old New Hampshire*, ballads, love songs and comic pieces, reveal the experiences and emotions of daily life in the days before movies, sound recordings and, for some, books. In November, Carrie Brown told stories of *Rosie's Mom: Forgotten Women of the First World War*, the first time women rolled up their sleeves and entered war industries where they had never been.

In August, members visited the South Barnstead Church. Edie Tasker Brown, member and Treasurer of the Church's Board of Directors, provided a bit of the history of the church, including the donation for the building of the steeple and the surrounding land by the Hanson and Clark families. Although the church is no longer holding weekly services, it remains a focal part of the South Barnstead community.

South Barnstead Church Altar

We held our first Open House in October, show casing the photos that were part of the DiPerri collection. Many of the photos are unidentified. We were thankful to those who were able to help us pinpoint the where's and who's of some of these photos.

Paul King and Rodney Boyd, members of the original Barnstead Parade and Center Barnstead Fire Companies (respectively) visited with members at the October meeting. Both shared stories from many of Barnstead's fires, including the fire that destroyed the Artistic Web weaving factory in the parade, as well as some amusing stories from runs made with Barnstead's first ambulance. This served as the unofficial kickoff of the selling of the second of edition of Stuart Merrill's *The History of the Barnstead Fire Department*.

The display cabinets located in the Town Hall continue to bring our collection to the townspeople. Some items have also been loaned to us from private collections to display and then return to the owners. Cabinets are located on either side of the window to the kitchen and to the left of the stage.

The annual Christmas Sale held on December 7 at the Town Hall was, by far, our most successful event to date. Crafts and items provided by Judy Stowell, Mary Locke, Miranda Schulup, Judy Forsyth and Savannah Fifield were a huge hit with those who attended. The Society held a raffle that included donations from Neva Dunn Farm, Milliken Nurseries, Clark's Grain Store, Bill Carpenter, Ken Pitman, Joanie Foss, and Jeannie Terry. We look to build on this event in 2020.

As part of the Christmas Sale, we were extremely happy to be able to offer for sale copies of both *The History of the Barnstead Fire Department* and the *History and Genealogy of the Barnstead Early Settlers from 1727 to 1970* by Stuart “Twink” Merrill, a generous donation by Grace Merrill. At Grace’s request, funds from the sale of both books, as well as donations from generous benefactors, will be added to the Stuart Merrill Memorial Fund to help procure a lasting memory to Twink. Copies of both books, as well as *The Last Stories of Malcolm Locke* and the *History of Barnstead, New Hampshire* by Jeremiah Jewett, are available by contacting one of the officers listed below.

Officers for 2019:

Denise Adjutant, President	Ken Pitman, Vice President
Marjorie Terry, Treasurer	Betsey Webber Secretary
Sandy Burt, Nancy Carr, and Lance Tasker, Board of Directors	

Access to ancestry.com at the Oscar Foss Memorial Library is provided in partnership with the Library. This is a valuable resource for anyone investigating their roots and we urge you to use this service, which is provided by the NH State Library at a discounted rate.

We continue to sell refreshments at two concerts held on the Parade Grounds each summer. We enjoy our visits with all who stop by for a cookie or cold drink!

The Society is appreciative of the support it has received from the Board of Selectmen with housing the display cabinets, allowing the use of the second floor area above the Town Hall for storage and work space for our collection, and use of the Town Hall for our events.

Photos from the 2019 Christmas Sale provided by Judy Stowell.

# Barnstead Milfoil Control Committee Report

The new herbicide ProcellaCOR treatment tests done last year showed a remarkable result that exceeds our expectations. Plant destruction appeared complete and looked very different compared to other herbicide treatments. ProcellaCOR is practically non-toxic, expensive (~\$1000/acre), completely kills variable water milfoil (unlike the previous herbicide), and works at very low concentrations (10 oz/acre). The treatment area expanded about 50% due to the water current sweeping the herbicide down stream. This resulted in much more milfoil destruction than we paid for. This 'sweep' will save us about \$40,000 in the treatment of the Suncook River next year. This summer using our new underwater LED light bar, a true picture of the total treatment area in both the Lower Suncook Lake and in Locke Lake will emerge. The results will be reported in a Baysider article this summer.

Because of its cost, the BMCC is following a program laid out last year to use divers to remove plants in the Suncook River that are near the main and secondary currents where herbicide may not be effective. Clean Amine herbicide was used in the Suncook River to keep the milfoil growth in check for 2-3 years so we can raise money with succeeding warrant articles to treat the river using the best sweep effect possible. Divers in the Suncook Lakes and Locke Lake will be managing areas where the plants are sparse, but growing. Suncook Lake and Locke Lake may do some spot treatments using ProcellaCOR in areas where divers have not been successful in removing milfoil plants. These areas include rocky and dense pack sediment and areas with deep silt where the roots are difficult to reach.

The Town of Barnstead received \$9905 grant award from DES for our treatment and diver removal of milfoil on our water ways for 2019. We have applied for a \$7000 DES grant for this year to help offset our treatment costs. We are asking for an additional \$20,000 to prepare for the ProcellaCOR treatment of the Suncook River. Our survey this summer will provide better data to permit the development of a detail plan to maximize the treatment areas for best herbicide sweep. Once the plan is complete, then preparations will begin to execute it correctly to achieve our ultimate goal of ridding the Barnstead Suncook River of water variable milfoil which began in 2005.

**We again ask for volunteer help** even if you can only spare several hours a week or a few hours a month, especially if you live along or near the Suncook River. We need people to help with providing a safety person on the barge while the diver(s) are in the water, to help pilot and work the suction harvester on the barge, to help move the barrels containing the milfoil to a pickup location for the Town road crew, and to help with the paper work of logging the divers activity, plant area's that were worked, and writing up a short daily activity sheet for our records. Tenders are always needed to support milfoil bag retrieval from divers using canoes or kayaks and as milfoil spotters and segment retrieval during diver operations.

Everyone who spends time on the River can be milfoil spotters by familiarizing yourself with what the plant looks like in the water and reporting locations where you find it. Please see our page on the Town's web site, call the Town Hall, email us at [Bmcc603@gmail.com](mailto:Bmcc603@gmail.com), or contact the people listed below.

Respectfully submitted,

Barnstead Milfoil Control Committee

Ed Neister – Chairman

Jim Fougere – Assistant Chairman

Bud Haney – Suncook Lake

Stephen Jonasch – Locke Lake

Ken LeGrow – Friends of the Suncook River

## 2019 Annual Report

The library had a wonderful and lively 2019! We added a number of new recurring programs, increased our circulation, collaborated with several community organizations and had a record-breaking number of books read for our Summer Reading Program.

### Circulation

The Oscar Foss Memorial Library circulated 25,517 items in 2019, an increase of 6% over last year. This is a significant improvement over national library circulation averages, which showed an overall decrease of .5% last year. We registered 161 new patrons for a total of 1,989 active users. Books are still the number one circulated item followed closely by DVDs and adult audio books. We added 1,404 new items bringing our collection size to 14,530 items. Use of NH Downloadable Books increased 33% this year, thanks to the new, user-friendly, Libby application. Over 520 library users logged on to our computers this year, an increase of 35% over last year's use.

### Community Partnerships

The Oscar Foss Memorial Library continues to be involved with the After School and Summer Learning Program for Elementary and Middle school youth grades K-8, also known as the Barnstead Adventure Zone. Barnstead was selected as a recipient of the 21st Century Community Learning Center project through the Department of Education in 2014. The library provides programing and space for students visiting the library from the Barnstead Adventure Zone. New programs are being created for the 2020 sessions.

The library worked with the Barnstead Elementary School several times this year. We had our Summer Reading Kick-off in June, we co-sponsored a Kindergarten Meet and Greet with the Barnstead PTO and participated in kindergarten orientation, our children's librarian visited the school several times to read to the children, and school librarian Phil Giunta was our Santa Claus this year for our Holiday Story Hour. We also held our annual Fine Free February to benefit the Barnstead Food Pantry and participated in collecting gifts for local children.

The Barnstead Historical Society and the Oscar Foss Memorial Library collaborated to host two NH Humanities Council presentations. *Songs of Old NH* and *Rosie's Mom: Women of the First World War*.

The library was a regular guest at the Barnstead Farmer's Market and participated in the Barnstead Parks and Recreation Build a Fairy House event and Trunk or Treat.

The library is represented by the Director on the Barnstead Helpers Committee, the board of Village Rising, and the board of Barnstead Adventure Zone.

We were happy to work with various volunteer members of the community this year to offer community member led programs, monthly meditation classes and weekly yoga classes.

The library meeting room enjoyed much use from community members and organizations in 2019, with 241 non-library sponsored programs and meetings with a total attendance of 2,842 for the year.

The Library hopes to focus on more collaborations in 2020 to better share our skills and services with the entire community!

### **Library Programs**

**Adult:** This year the Oscar Foss Memorial Library hosted 89 library-sponsored adult programs, with 1,814 people attending those events. Some of the programs offered included Guided Meditation, Bob Ross Paint Night, and Beginner Embroidery. Our monthly Adult Book Club and our weekly Beginner and Intermediate Yoga programs continue to be successful programs. The Friends of the Oscar Foss Memorial Library had a Friendsgiving Brunch in November and are looking to grow their membership in 2020. Contact the library for more information on how to become a Friend.

**Children and Teens:** There was a grand total of 212 youth and family library programs held this year, with total attendance at 3,681 participants! This represents an increase of 20% over last year's family program participation.

We continue to run the very successful Story Hour program on Wednesdays at 10am. We also hold a regular Teen Writer's Group that meets the first Wednesday of the month at 4pm and the Teen Advisory Group which meets monthly on the 3rd Thursday at 7pm. We have a STEM Squad that meets monthly on the second Wednesday of the month at 3pm for kids interested in science and technology. This year we added an Afterschool Program twice a month on Friday for grades 2-4. We also hold a monthly Family Movie Night. In addition to these ongoing programs, families enjoyed other fun events like Teddy Bear Picnic, Prom Makeover, Harry Potter Escape Room and a visit from Toto the Tornado Kitten and author Jonathan Hall. We are excited about our programs and delighted to see participation continue to grow!

We have also been happy to see a significant increase in children and teens choosing to take the bus to the library after school and spend some time with us. Students 10 and older are welcome to visit the library unattended during open hours as long as we have proper contact information on file for parents/guardians.

2019 was a great year for our Summer Reading Program. We had a record-breaking number of books read this summer with 2,882 books read! This year's theme was "A Universe of Stories!" so we focused on programs that promoted space including Alien Terrariums, a Skywatch with NHAS, and Lightsaber Battles. We also invited Pre-K to Grade 12 to participate in our Jedi Academy. They were sorted into Star Wars themed teams that competed to earn points by completing books, activities, and community service to win a chance to choose the sundae toppings for our finale and a chance to plan a party at the library!

There is always something happening at the Oscar Foss Memorial Library. Be sure to like us on Facebook!  
Respectfully submitted,

A handwritten signature in black ink that reads "D Hinton".

Jane Westlake, Secretary  
Rebecca Cowser, Alternate Trustee  
Ann Cwik, Alternate Trustee

# Overseer of Public Welfare

It is the responsibility of the Overseer of Public Welfare to help residents of Barnstead to be safe, warm, have electricity on, and to assist with other needs as they arise. There is an application to be completed and with the assistance of the Overseer, it is very easy to complete.

This department is non-judgmental; what some would think is a want, in many cases is a need. The Overseer is best qualified to make that distinction.

The Town has guidelines for this department which are followed so that all receive the services that they need.

Respectfully submitted,

Elaine Swinford  
Overseer of Public Welfare

If you need a helping hand.

# Barnstead Old Home Day

Barnstead Old Home Day – “Love Your Neighbor”, took place on October 5, 2019 at 9am and ended at 1pm. with a parade. We had two food trucks, 22 vendors, and a live fiddler. Re/Maxx offered, for donation only, tethered hot air balloon rides! There were several great activities and games including a Cornhole Tournament, Hay Ride, Antique Car Show, Baby Crawl, Cake Walk, Goat Pellet Bingo, Jail and Bail, Photo Booth, 4-H Meet & Greet, Lakes Region CERT, and we collaborated with Parks & Recreation to create an amazing Kid Zone!

On the Friday prior, we held two free kick-off events; a Family Movie Night at the Oscar Foss Library, and a Free Senior Citizen’s Dinner at the Center Barnstead Christian Church.

As we look forward to 2020, we are excited to announce our theme “Better Together” with a tentative date of September 19, 2020. In our efforts to start our fundraising early, we held a dessert auction the Monday prior to Thanksgiving and plan to make this an annual event.

We hope to encourage the Town Fire and Police to join our parade this year as it was a noticeable gap in our day of celebration. We hope to encourage the senior citizens to help us grow our “Barnstead Chronicles” tent. We are very appreciative of those who joined us last year....it turned out to be quite the “coming home” where those who came got to see friends they hadn’t seen in years. It was a big success in our eyes! We plan to strengthen our weaknesses and expand on our strengths. We encourage all of those who are interested in joining our committee to send an e-mail to [BarnsteadOHD@gmail.com](mailto:BarnsteadOHD@gmail.com). We meet on the second Monday of each month until we get closer to the event then our meetings become more frequent.

We would like to thank the Barnstead Selectboard for supporting our efforts. We are so thankful for all the help the Town Hall staff gave us as we learned the process of running OHD. We had all but one new committee members last year; the learning curve was BIG! We made many mistakes and couldn’t have made it to the end of this adventure without all of their help!

We had over 500 community members attend last year; we felt that was a huge success! Thank you all for coming! We hope you plan to attend again this coming year! We have listened to your feedback and plan to make improvements! If you have any suggestions please do not hesitate to e-mail them to [BarnsteadOHD@gmail.com](mailto:BarnsteadOHD@gmail.com).

You can find us at [barnsteadoldhomeday.com](http://barnsteadoldhomeday.com) and on Facebook at [Facebook.com/Barnsteadoldhomeday](https://www.facebook.com/Barnsteadoldhomeday)

A big thanks to all who helped make Old Home Day a success this year!

The Barnstead Old Home Day Committee

# Parks & Recreation Commission

Our mission is “Bringing Community Together by doing Fun Stuff”.

2019 was a good year for the Barnstead Parks and Recreation Commission. We conducted all the old favorite P&R events (ice rink, bonfires, fishing derby, Easter egg hunt, Trunk or Treat, etc.). We sponsored three new events (Ice fishing derby, road cleanup, and Fairy house making). We laid the groundwork for some new programs in 2020 (swimming lessons, family skate night, and maybe more).

We raised \$13,000 in private contributions and grants toward the purchase of a tractor with snow blower to ease the stress on volunteers for maintaining the ice rink. We hired Rhiannon Fee as the new Parks & Recreation coordinator, a move that has also eased the stress on volunteers in delivering Parks & Rec programming.

Our big goals are to develop a robust and sustainable Parks & Recreation program for all the families and children of Barnstead, and to improve and expand the recreation facilities in the Town at a modest cost to the taxpayers of Barnstead.

In 2020, we will be focusing on recruiting more volunteers to lead and assist with programming. “Many hands make light work” might be our motto. It will take many volunteers sharing the load and an ongoing flow of new volunteers in order to create a robust and sustainable program.

In addition to the swimming lessons and other new programs, citizens of Barnstead can look forward to the first baby steps in developing the space behind the ice rink into a family friendly park and nature playscape. This summer we plan to spread loam and plant grass seed on about 1300 square yards of the planned park area, if funds allow.

We have some preliminary ideas about what we want the park and playscape to be. A planning group will flesh those ideas out into a complete design during the year so we are ready for a second step next year.

Keep up with all the events, activities, and new ideas from Barnstead Parks & Recreation by following our Facebook Page (Barnstead Parks & Recreation), checking our website ([barnsteadnhparks-rec.com](http://barnsteadnhparks-rec.com)), watching for posters around town, and reading our articles in the Baysider.

We will help you find a way to help us by donating just a couple of hours a year of your time. Write us a note on Facebook, email us at [barnsteadparks@gmail.com](mailto:barnsteadparks@gmail.com), or call Rhiannon Fee at 802-332-3799 (no, she’s not in Vermont, that’s the phone number they gave us).

Respectfully submitted,

Jennifer Blair      Kate Crary

# Barnstead Planning Board Annual Report

The Planning Board had a busy year with the approval of 1 minor sub-division, 1 major sub-division, 3 lot line adjustments, 7 conceptual consultations, and 3 site plan reviews for new businesses in town.

We have also spent several meetings and work sessions reviewing the Zoning Ordinance for the town. In December we held a joint meeting with the Zoning Board of Adjustment to address concerns. The joint meeting resulted in a warrant article to be placed on the March 2020 ballot.

The Planning Board was successful with the ballot questions presented on the March 2019 ballot and would like to thank all the residents who voted 'Yes'. We look to preserve the environment and infrastructure of the town with the Steep Slope Ordinance.

The Planning Board is once again seeking volunteers to help with the Capital Improvements Plan (CIP). The purpose of the CIP is to help the Town plan for future capital expenditures such as large equipment or buildings.

The CIP Committee reviews the needs and wants of all Town Departments and both school SAU's and updates the comprehensive guide of the Town's spending over the next six years. The Planning Board would then approve the CIP and forward it to the Selectboard Office and the School Board and SAU's for use in their budget planning. The CIP Committee will resume meeting over the summer months to update the plan. If you are interested in helping the CIP Committee, please contact the Planning Board.

The Planning Board will also be looking for volunteers to start the process of updating the Master Plan for 2024. If you are interested in helping, please contact the Planning Board.

The Planning Board meets at 7:00 PM the 1st Thursday of every month at the Town Hall and all meetings are open to the public. Work sessions are held at 7:00 PM the 3rd Thursday of the month on an as needed basis.

# Barnstead Police Department

## Submitted by Chief of Police Paul A. Poirier

To the honorable Board of Selectmen and the citizens of Barnstead - as your Police Chief, I submit the 2019 Barnstead Police report on behalf of the men and women of the Barnstead Police Department who proudly serve your community.

In 2019, the Police Department reorganized the agency as part of their succession plan. In doing so, the Department hired Sergeant James "Sully" Sullivan who came to us from the Merrimack Police Department with almost twenty years of service. Additionally, Officer Derik Bettencourt was promoted to the rank of Sergeant. These promotions helped stabilize the agency and provided not only rank structure, but supervisory personnel and important coverage where needed.

The Department also hired its first female officer since Chief Poirier took over in 2016. Presently, Officer Valentina Gigli is attending the Police Academy and it is reported that she is doing great and should finish near the top of her graduating class.

Thanks to the voters, in 2019 the Police Department purchased and implemented Axon Body Worn Cameras (BWC). Each Barnstead Police Officer is assigned a camera and all traffic stops and Calls For Service (CFS) are recorded. These cameras capture video evidence, are used at trials, and can be used in the event an officer and/or a citizen lodges a complaint.

Additionally, in 2019, the Police Department acquired a S.P.O.T.S. Terminal from the State of New Hampshire. With this technology, we now can run our own criminal and motor vehicle records in house without having to travel to the Sheriffs' Office in Laconia.

In 2019, the Barnstead Police Department received its first Intoxilyzer 9000 from the State of New Hampshire. With the Intoxilyzer, Barnstead Officers have the ability to process those individuals suspected of driving under the influence of alcohol without having to leave Town and drive to another Police Department.

Also in 2019, Barnstead Officers were able to upgrade their duty weapons to the new 9mm Glock 17 Gen 5 models, without any added cost to the town.

The Police Department is proud to report that it has continued its many partnerships in the community; our robust community service programs have flourished thanks to the many volunteers and their generous donations throughout the year. We are always looking for new ideas and ways to improve these programs and encourage anyone to contact us directly if you have any suggestions that could help us serve you better.

In 2019, with the replacement and hiring of new personnel, the Police Department maintained its high level of service with professionalism as expected by its residents. The Barnstead Police conducted hundreds of investigations and thousands of calls for service. The breakdown of our stats is listed below:

## Offenses Reported

Offenses Reported	2017	2018	2019

The Police Department strives to keep our community safe and we do this with transparency and accountability. We continue to encourage members of the public to call us anytime with ideas and ways to improve our services.

Best Regards,

Paul A. Poirier  
Chief of Police  
Barnstead Police Department

# Road Agent Report

The Highway Department had a challenging year with staff. In February, Manette Frenette joined the crew. In June, we hired George Drew as a grader operator. In November, we hired Jason Thorne as a truck driver/laborer. Thru out the year our Administrative Assistant, Patty Berubee, was working part-time; however, in September we could actually create a set schedule for her. From June till November 1<sup>st</sup>, the Highway Department consisted of 3 full-time crew members. As most of you have noticed, we did not do any road side mowing this year due to lack of man power/budget restraint. We are planning to hire a part-time mower operator for 2020.

The Town was able to purchase a brand new 2019 International HV507 dump truck w/plow, wing, & sander. What made this possible was a grant thru NHDES. The Grant amount was \$37,625.00.

Town Info        - 182 lane miles of road to maintain  
                     - 44 sq. miles  
                     - 6 plow routes

As spring approached, the Highway Department was out spreading 1½" stone to make the roads passable in muddy sections. As the year went on, each time we graded we kept working the stone into the road. The process greatly helped our infrastructure in stiffening up the roads, which will result in fewer muddy sections/roads come next spring.

Summer time Projects consisted of paving White Oak Rd, Bow Lake, Gray Rd, Narrows Rd (from the bridge to White Oak Rd), and Parade Circle resulting in 5.4 new paved miles. Before paving, the Department contracted a tree cutting company to clear the canopy and remove 33 trees on White Oak Rd. We also worked with the power company to get them to remove 4 other trees as well. The crew replaced 12 cross culverts before paving could start (1-Bow Lake, 1-Gray Rd, & 10-White Oak). The Tree Contractor cleared the canopy on North Barnstead Rd from Rte 28 to the blueberry fields, and removed 85 trees from Garland Rd. The Department contracted out to have 5 catch basins replaced on Maple Street that were deteriorated so badly they were causing sink holes in the road and sidewalk. Beauty Hill, Parade Rd, Pitman Rd, & Shackford Corner (new pavement) were crack sealed.

As fall started to approach, we started gathering materials for winter road maintenance and finishing up a few projects consisting of erosion control issues that have been going on for years. Part of the summer was coming up with a plan on how to resolve these issues and save on repeat repairs. The projects were drainage at the Damsite and Ash intersection, the Evans and Goodrich intersection, the Colbath, Vail and Hazel Clark intersection, and the Wes Locke and Red Oak intersection.

In addition to the road maintenance activities, in June the Highway Department held their first open house. We are hoping to continue this every year, to give residents a chance to visit and see what the Highway Department is all about. (Upcoming projects, paving schedule, gravel schedule, pavement preservation, cost analysis on trucks and equipment.) On the Town Website,

the Department has added information to keep citizens informed with a weekly schedule during the spring, summer and fall months. Included with the weekly schedule are the years paving projects and other smaller ones. The information includes scheduled dates, traffic impact and completion dates. The Road Log is a list of road concerns from the public and how they have been resolved. With the information given, added to the amount of time and materials spent in maintaining a road, we can further analyze what kind of maintenance change or improvement would be the most beneficial and cost effective solution.

I would personally like to thank my crew for all their hard work & dedication; without them none of the projects would have been completed. I also want to personally thank all the residents that helped out the Highway Department in one way or another.

Respectfully,

Andrew Sylvester, Road Agent

Patty Berubee, Administrative Assistant  
Ken Archambault  
Dan Beauregard  
Manette Frenette  
Jason Thorne

# Supervisors of the Checklist

The Supervisors of the Checklist started their first 2019 session on January 22nd for corrections to the checklist. The second session occurred on March 2<sup>nd</sup>; at this time, changes in party affiliation were accepted.

Town Election Day was March 12th. The Supervisors accepted and registered “Same Day Voters” and updated the voter checklist to include the new voters for the upcoming Town Meeting of March 16th and School Meeting of March 23rd.

A session was also held on October 25th for correction of the checklist and changes in party affiliation prior to the Presidential Primary. This is always done 90 days prior the primary.

We are sorry to lose Jessie Fifield as a Supervisor this year. We wish her well with her new job in the Town Clerks Office.

As the year ends we are readying ourselves for a busy 2020, with the Presidential Primary, Town Elections, Town and School Meetings, the State Primary and the General Election.

Please remember you may register with the Town Clerk or at a Supervisors Meeting. You must bring proper ID to present to the Town Clerk or the Supervisors. You may register during normal business hours of the Town Clerk’s Office or sessions with the Supervisors.

**VOTING IS A PRIVILEGE!!!**

Respectfully submitted,

Judith I Forsyth  
Jessie L Fifield  
Marjorie J Terry

# Town Clerk/Tax Collector's Report

2019 saw more changes in the Town Clerk/Tax Collector's Office. Without much fanfare, in late February, we began accepting debit and credit cards for all over the counter transactions, except for property taxes. Please be aware that all debit and credit card transactions have a convenience fee of 2.79% that the customer will be charged. You can still pay your property taxes online, at our website, using a debit or credit card.

In May of 2019, Jessie Fifield was appointed Deputy Town Clerk/Tax Collector. She continues to go to training sessions and conferences to understand all of the duties associated with the office. Please be patient as she learns all the different jobs that we do in our office.

Another big change happened June 1, when a new law went into effect requiring a government issued photo ID be presented to the clerk in order to obtain a registration permit. Please remember to bring your license, even for renewals, or we will be unable to process your motor vehicle transactions. There are no exceptions.

In September, Patty Berubee left our office to work solely at the Highway Department. We wish her well in her position at Highway. Jessie has increased the number of hours that she works, to help make up for the hours we lost with Patty's departure.

As the year came to a close, our "snowbirds" filled out absentee ballot requests for the Presidential Primary and Town Elections. You can always request an absentee ballot and we will gladly mail you one for any election you may be away for.

The year-end reporting has changed. Since we began taking debit and credit cards, motor vehicle and boat fees are combined together in one total. For the first time, 2019 saw over \$1 million dollars collected in motor vehicle revenue, with the office doing over 8000 transactions.

As always if you have any questions or concerns, please do not hesitate to contact our office. We are open 8:30AM – 4:30 PM Monday, Wednesday, Thursday and Friday, and 11:30 AM – 7:00 PM on Tuesdays. We are always closed the third Wednesday of every month. For the four upcoming elections in 2020 we will also be closed on Election Days.

**If we are unable to answer the phone, please leave a message and we will get back to you ASAP.**

Mary Clarke – Town Clerk/ Tax Collector

Jessie Fifield – Deputy Town Clerk/Tax Collector

# Zoning Board of Adjustment

The function of the Barnstead Zoning Board of Adjustment (ZBA) is to review applications from property owners seeking relief from requirements of the Barnstead Zoning Ordinance. Relief can be sought by applications for variances, special exceptions, or equitable waivers. In addition, the ZBA can consider appeals by property owners regarding land use administrative decisions made by other Boards or Town Officials.

Applications for relief are granted based on the information provided in the application presented, the testimony given at a public hearing, the observations of the Board members at site visits and findings by the Board that all criteria for the application have been met.

The following are cases that were approved before the Board in 2019:

- (1) 4 variances to allow the construction of garages where front/side setback requirements could not be met
- (2) a variance to allow improvements to an existing home and add a garage where setback requirements could not be met

There was one case that was denied in 2019:

- (1) a variance to allow the construction of a 12 x 12 ft. deck that was outside setback requirements

The board held 2 meetings in regards to applications that were ultimately withdrawn.

The members of the ZBA are appointed, for a three (3) year term, by the Board of Selectmen. The membership consists of five members and up to five alternate members.

Respectfully submitted,

David Brown, Chair  
Richard Duane, Vice Chair  
Paula Penney, Selectmen's Representative  
Thomas McCarthy, Member  
Gary Mullen, Member

## BCEP Solid Waste District

[www.bcepsolidwaste.com](http://www.bcepsolidwaste.com)

### A Message from the District Committee

Despite a global downturn in recycling markets, BCEP was able to minimize recycling revenue losses as a direct result of adjusting the plastic sort to what the market was buying and fostering a new partnership with an old ally to guarantee our mixed paper market would remain a revenue and not a large cost overrun to the budget as experienced in most communities. Because BCEP is known as a source separated facility, we have not experienced, to the same degree, the ballooning costs to those communities that offer curbside pick-up commonly referred to as single or dual stream.

BCEP continues to experience top dollar for our products thanks to the processing protocols followed by our employees and patrons doing their part to support our efforts and the environment. Bear in mind, just because an item is made from recycled material, does not mean it is a product being recycled. To keep up with all things current, pick up our annual brochure, check out our website, or the community Facebook pages and the local paper.

Aging and life span on equipment and infrastructure at the facility has been a major focus of the District Committee during 2019. The Committee has developed a Ten Year Plan to address repairs, replacements and landfill mitigation as may be deemed necessary by NHDES. Prudent and responsible funding of this plan on a continual basis was the topic of much discussion during our monthly meetings. Consideration of the increased burden to the taxpayers was forefront on everyone's mind and will remain so as we strive to continue to operate in a manner that is compliant, safe and sustainable. The District Committee meets the last Thursday of each month (except Nov. & Dec.) at the District facility at 6:00 PM. The November meeting is usually the Thursday before Thanksgiving, while the December meeting (Public Hearing on the budget) takes place the first or second Thursday in December. This legal posting is advertised in the Concord Monitor, at the facility and on each town's website. The Public is encouraged to attend and participate at any of the committee meetings.

District Administrator

*Solid Waste Management and Recycling*

## Lakes Region Planning Commission 2019 ANNUAL REPORT

The Lakes Region Planning Commission (LRPC) is a voluntary organization of 30 municipalities within a state-defined planning area established under NH RSA 36:45. Regional planning commissions strive to respond to and shape the pressures of change in a meaningful way, both locally and regionally, through communication, joint initiatives, and planning.

With a regional planning area covering over 1,200 square miles in Belknap, Carroll, Grafton, and Merrimack Counties, the LRPC's professional staff provide regional planning services in the areas of transportation, land use, economic development, watershed management, and natural resource protection; local technical assistance with master plans, capital improvement plans, hazard mitigation planning, ordinance reviews, and circuit rider consulting; GIS mapping services; data collection and analysis; and Developments of Regional Impact review.

Here are highlights of our services and activities over the past fiscal year:

### Local Services, Barnstead

- Enabled annual Town electricity savings of \$3,179 through our Regional Electricity Aggregation initiative.
- Addressed request for Barnstead Steep Slopes map.
- Provided land use planning and general technical assistance.
- Discussed regional purchasing opportunities and regional solid waste practices.
- Facilitated the bulk purchase and distribution of the new edition of the *New Hampshire Planning and Land Use Regulation* books at a substantial discount.

### Regional Planning and Purchasing

- Reviewed Developments of Regional Impact, as required by NH RSA 36:54, initiated by Andover, Belmont, Plymouth, Sanbornton, and Tuftonboro. Prepared and discussed draft comments with municipal planners, provided outreach to surrounding communities, corresponded with state and local officials, reviewed relevant state statutes, and provided feedback per LRPC guidelines to members through their Commissioners.
- Completed seven intergovernmental reviews, as required by the NH Office of Strategic Initiatives, of federally funded lakes region projects.
- As an aggregator of electricity and heating fuel, facilitated the regional group purchase of energy for participating members, including 3 school districts and one county, for total savings of \$76,678 for electricity and \$11,749 for oil and propane for the year.
- Issued a Request for Proposals on behalf of five school districts for regional student transportation services to pursue and determine the feasibility of shared bus services.
- Conducted an innovative joint transportation and solid waste management meeting to address the use of crushed recycled glass as a base material in road and trail projects.

### Economic Development

- Coordinated over \$250,000 in EPA, NHDES, and LRPC grant funding to conduct environmental assessments on the Lakes Region Facility brownfields property, formerly known as the Laconia State School, and cleared the way for several proposed redevelopment scenarios to move forward. The LRPC will now help to lead the way to obtain implementation funding.

- Completed year two of a two-year Targeted Block Grant project via the NH Office of Strategic Initiatives.
- As the designated Local Development District (LDD), provided grant administration services for seven grants awarded by the Northern Border Regional Commission (NBRC), a federal-state funding partnership, to member towns and local organizations who applied for projects that included: a Makerspace in Wolfeboro; a sewer project in Ashland; a culinary training project on behalf of a community college in Laconia; a fiber optics project in Bristol; a starter homes/moderate income project in the Wolfeboro area; and a homeless shelter in Plymouth.
- Applied for both a Community Development Block Grant (CDBG) through the NH Community Development Finance Authority (CDFA) and a USDA Rural Business Development Grant (RBDG) in support of an economic development project for a non-profit community-based program in downtown Wolfeboro.

## Solid Waste Management

- With funding from a successful USDA Solid Waste and Water Management grant, provided technical training and educational programs via four problem-solving roundtable sessions for solid waste operators, municipal officials, and other stakeholders on the topics of: Food Waste & Composting; Disposal and Uses of Glass in Transportation; Capped Landfill Maintenance 101; and Reducing the Grey Area between HHW & Small Quantity Generators (SQGs).
- Worked with New Hampshire's Department of Environmental Services (NHDES) to educate solid waste operators and community leaders about their capped landfill responsibilities.
- Researched and mapped local and regional solid waste data. Established three compost pilot projects in the region.
- Applied to USDA for nationally competitive funding to continue our Solid Waste Management program in FY21.
- Coordinated the 33rd Annual Household Hazardous Waste Collection among 8 locations and 25 participating member communities on the last Saturday in July and first Saturday of August. Partnered with Plymouth State University's Technical Communications class to increase participation at our Household Hazardous Waste (HHW) events and address local recycling issues.

### HHW By the Numbers...

• One regional planning commission.....	1
• Number of days.....	2
• Locations .....	8
• Participating communities.....	25
• Years of collections .....	33
• Percent of NH's surface water contained within the Lakes Region.....	40
• Number of volunteers (80+) .....	80
• Number of participating households .....	1,592
• Number of Compact Fluorescent Lamp (CFL) bulbs accepted.....	1,739
• Feet of fluorescent tubing dropped off.....	22,086
• Pounds of hazardous substances properly disposed of .....	61,660

**Protecting the Lakes Region of New Hampshire ..... PRICELESS**

## **Transportation**

- Completed the Franklin to Concord Regional Transit Study, creating a feasibility study template for regional transit to use in the future.
- Coordinated and conducted monthly meetings of the Commission's Transportation Technical Advisory Committee (TAC) to enhance local involvement in regional transportation planning and project development.
- Continued working with the Lakes Region Scenic Byway Advisory Committee to spur economic development and preserve regional scenic quality and visitor experiences.
- Provided assistance to the Carroll County Regional Coordinating Council and the Mid-State Regional Coordinating Council (RCC) regarding public transportation. Together with Central New Hampshire Regional Planning Commission (CNHRPC), prepared an update to the Mid-State RCC's 2007/2010 Coordinated Transit and Human Services Transportation Plan.
- Assisted communities with Road Safety Management Systems (RSMS) analysis, including 10-Year maintenance schedule and condition forecasting.
- Road Flooding Hazards - Conducted culvert and catch basin condition inventories to identify under-sized and poorly maintained culverts.
- Coordinated with NHDOT Safety Engineer and municipal officials to respond to road safety issues in several communities with accident problems.
- Worked with member towns, the LRPC TAC, and NHDOT to prioritize funding and transportation improvements for the Transportation Improvement Program (TIP) as part of the State Ten Year Plan process. The TAC also ranked projects for the next Congestion Mitigation/Air Quality (CMAQ) program funding round.
- Conducted over 150 annual traffic counts around the region to provide data to NHDOT for infrastructure improvement planning.
- Completed regional analysis for freight planning, identifying bottlenecks, truck back-ups, and other issues affecting heavy commerce in the Lakes Region.
- Completed regional bikeability analysis with map showing sections or road corridors where lane stripping could be narrowed to allow for bike lanes as part of the planning process for the Statewide Pedestrian and Bicycle Transportation Plan.
- Cell Phone Signal Mapping – With the participation and help of volunteer drivers, completed cell phone testing throughout region and mapped results to assist towns with inaccurate cell service signal coverage claims affecting community safety and commerce.

## **Watershed Management**

- Provided technical and administrative support, including coordinating monthly meetings, to the Pemigewasset River Local Advisory Committee (PRLAC), a state-chartered advisory committee under the Rivers Management and Protection Program per NH RSA 483.
- Completed two Watershed Assistance Section 319 Grant projects through the NH Department of Environmental Services (NHDES) for the Winnisquam Watershed and the Squam Lakes Association.
- Completed a Water Quality Planning 604(b) Grant project through NHDES, working with the Town of Moultonborough and the Lake Winnepesaukee Association (LWA), to create a replicable septic system improvement model, including risk analysis, sample ordinance, and an educational toolkit to address nutrient loading from aging or failing septic systems.

- Applied for competitive federal-state funding opportunity and was awarded a \$14,000 Local Source Water Protection Grant from the NH Department of Environmental services for a project to protect public drinking water systems within member towns New Hampton and Plymouth.

### **Community Outreach & Education**

- Convened six Commission meetings during the fiscal year and facilitated discussion on topics including: Updated Guidelines for Developments of Regional Impact; Becoming Age-Friendly Communities; Solid Waste Management Grant program initiatives; and Regional Transportation Planning.
- Held a joint legislative forum on economic development with Lakes Region Community College, Belknap Economic Development Council, and Lakes Region Community Developers for Commissioners and Legislators to discuss Lakes Region legislative priorities.
- Honored six individuals and three organizations at our June 24th Annual Meeting with awards for outstanding service to their communities, including the first-ever Chairman's Inspirational Award.
- Created numerous outreach materials to increase public education about solid waste topics.
- Developed a stronger social media presence on Facebook and Instagram to promote events and new resources.
- Hosted a regional Planners Roundtable in April to share and discuss local and regional planning issues, including accessory dwelling units (ADUs), short-term rentals, and cell towers.
- Distributed important news and information to LRPC Commissioners and other town officials via regular email updates and website postings.

Barnstead Commissioners (2):

David Kerr; *position available*

Transportation Technical Advisory Committee (1):

David Kerr

The LRPC thanks the people of the Town of Barnstead for their recognition and support of regional planning.

Respectfully submitted,

Jeffrey R. Hayes, MRP

Executive Director

# STATE OF NEW HAMPSHIRE

## Town of Barnstead

### Warrant for 2019 Annual Meeting

**THE POLLS WILL BE OPEN FROM 7:00 A.M. to 7:00 P.M.**

To the inhabitants of the Town of Barnstead in the County of Belknap in said state, qualified to vote in Town Affairs:

**You are hereby notified to meet at the Barnstead Town Hall in said Barnstead on Tuesday, the Twelfth (12<sup>th</sup>) day of March, next at 7:00 a.m. of the clock in the forenoon, to act upon the following subjects:**

1. To choose all necessary Town officers for the year ensuing.

2 Selectmen	3 year terms	<b>SEAN DUNNE</b> <b>EDWARD TASKER</b>
1 Town Clerk/Tax Collector	3 year term	<b>MARY CLARKE</b>
1 Library Trustee	3 year term	<b>LINDA NELSON</b>
1 Trustee of Trust Funds	3 year term	<b>DENISE ADJUTANT</b>
2 Planning Board Members	3 year terms	<b>DAVID KERR</b> <b>ELAINE SWINFORD</b>
2 Budget Committee Members	3 year terms	<b>DAVID ALLEN</b> <b>WAYNE WHITNEY</b>
1 Overseer of Public Welfare	1 year term	<b>ELAINE SWINFORD</b>

Question #1: Are you in favor of the adoption of question #1, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To revise Article 12, Section 12-16 of the Zoning Ordinance - Growth Management Regulation, to change the Sunset date from April 1, 2019 to April 1, 2024. **YES - 374 NO - 240**

Question #2: Are you in favor of the adoption of question #2, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows;

To revise Article 2, "a" Section 2-1 – Definitions, to add "Steep Slope – Land area where slope is equal to or greater than 15 percent". And to add "Fire Cisterns – Fire Cisterns are an underground water storage tank with a capacity determined by and built to the specifications of the Town of Barnstead using NFPA 1142 as a guide. Fire Cisterns are designed to be reliable year-round water sources for firefighting. **YES – 374 NO – 263**

Question #3: Are you in favor of the adoption of question #3, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To revise Article 2, “a” Section 2-1 – Definitions, to revise Flood Hazard Area to read “Flood Hazard Area: That portion of land as designated on the most current FEMA Flood Insurance Rate Maps.” **YES – 463 NO – 175**

Question #4: Are you in favor of the adoption of question #4, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board, as follows:

To add Article 4-4, Steep Slope protection to insure protection of the Town’s infrastructure and the natural resources. **YES – 418 NO – 215**

Question # 5: Are you in favor of the adoption of question #5, amending the Zoning Ordinance, Town of Barnstead, NH as proposed by the Planning Board as follows:

To add Article 15, Barnstead Floodplain Management based on the Model Flood Plain Management Ordinance promulgated by the New Hampshire Office of Strategic Initiatives, Flood Plain Management Program. **YES – 428 NO - 292**

3. Shall we adopt the provisions of RSA 40:13 (known as SB2) to allow official ballot voting on all issues before the Town of Barnstead, New Hampshire on the second Tuesday of March. Passage requires a 3/5 majority vote of those voting. (Submitted by Petition). **DEFEATED**

**The second session for the purpose of discussing and voting upon the remaining articles of the Town Warrant shall be held on Saturday, March 16<sup>th</sup>, 2019, at 9:00 a.m. at the Barnstead Elementary School.**

4. To hear the Reports of Agents, Auditors, Committees or Officers chosen and to pass any vote relating thereto. **PASSED VOICE VOTE**
5. To see if the Town will vote to discontinue a portion of the Class VI road entitled Olde Farmington Road on the Town’s maps beginning at a point of approximately 2,183 feet from the intersection of North Road and continuing through to the Alton Town Line. (Recommended by Selectmen 4-1). **PASSED VOICE VOTE**
  1. Shall the Town vote to adopt the provisions of RSA 72:28-b All Veterans’ Tax Credit? If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from service and is not eligible for or receiving a credit under RSA 72:28 or RSA 72:35. If adopted the credit granted will be \$500, the same amount of the standard or optional veterans’ tax credit voted by the Town under RSA 72:28. Due to the unknown impact this will have on the tax rate, if adopted, the credit will be phased in over a 3 year period as follows; \$165 credit for the year 2019, \$330 for the 2020 year and \$500 the 2021 year. If passed by majority vote, the credit takes place beginning April 1, 2019. (Recommended by Selectmen 4-0). (Tax rate impact: unknown). **FAILED VOICE VOTE**

7. To see if the Town of Barnstead shall adopt New Hampshire's All Veterans' Tax Credit (pursuant to NH RSA 72:28-B) Majority vote required. Submitted by Petition. (Tax rate impact: unknown). **PASSED VOICE VOTE**
8. To see if the Town will vote to raise and appropriate the amount of Eighty Five Thousand Five Hundred Fifty Dollars (\$85,550) for the second payment of the 5 year lease purchase agreement as passed at the 2017 Town Meeting for the Fire Pumper. This lease agreement contains an escape clause. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 14 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
9. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) for the purpose of purchasing two (2) defibrillators for the Fire Rescue Ambulance and to authorize the withdrawal of Seventy Thousand Dollars (\$70,000) from the Fire Rescue Vehicles Special Revenue Fund created for this purpose (current balance \$202,665). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0.) (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**
10. To see if the Town will vote to raise and appropriate the amount of Seventy Thousand Dollars (\$70,000) to be placed in the Bridge Construction Capital Reserve Fund (current balance \$336,328). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 12 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
11. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thousand Dollars (\$300,000) to be placed in the Road Paving and Maintenance Expendable Trust Fund (current balance \$40,796). Two Hundred Thousand (\$200,000) to be raised by taxation and One Hundred Thousand (\$100,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 6-1). (Tax rate impact: 34 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
12. To see if the Town will vote to raise and appropriate the amount of Seventy Five Thousand Dollars (\$75,000) to be placed in the Highway Department Heavy Equipment Capital Reserve Fund (current balance \$128,769). Fifty Thousand (\$50,000) to be raised by taxation and Twenty Five Thousand (\$25,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 5-2). (Tax rate impact: 8 ½ cents per \$1000 of assessed valuation). **PASSED HAND VOTE**
13. To see if the Town will vote to raise and appropriate the amount of Fifty Thousand Dollars (\$50,000) to be placed in the Fire Rescue Expendable Trust Fund (current balance \$141,017). Twenty Five Thousand (\$25,000) to be raised by taxation and Twenty Five Thousand (\$25,000) to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 4 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**

14. To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to be placed in the Barnstead 300 Year Celebration Expendable Trust Fund (current balance \$10,239). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1/2 cent per \$1000 of assessed valuation). **PASSED VOICE VOTE**
15. To see if the Town will vote to discontinue the Parks & Recreation Building Capital Reserve created in 2005. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the municipality's general fund (current balance \$48,000) (Majority vote required). (Recommended by Selectmen 5-0). **PASSED VOICE VOTE**
16. To see if the Town will vote to establish a Parks & Recreation Facility Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of saving monies for the renovation, construction or maintenance of a building, facilities, and grounds for the Parks & Recreation Department and to raise and appropriate the sum of Forty Eight Thousand Dollars (\$48,000) to be placed in this fund, with this amount to come from general fund. This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 5-0) (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**
17. To see if the Town will vote to raise and appropriate the amount of One Dollar (\$1.00) to be placed in the Historical Society Building Capital Reserve Fund (current balance \$63,744). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 3-1). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**
18. To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty Five Thousand Dollars (\$125,000) to be placed in the Public Safety Building Capital Reserve Fund (current balance \$33). One Hundred Thousand Dollars (\$100,000) to come from taxation. Twenty Five Thousand to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by 4-0). (Recommended by Budget Committee 5-2). (Tax rate impact: 17 cents per \$1000 of assessed valuation).  
**PASSED WITH AMENDMENTS: (\$100k from taxation) VOICE VOTE**
19. To see if the Town will vote to raise and appropriate the sum of One Dollar (\$1.00) to be placed in the Emergency Preparedness Expendable Trust Fund (current balance \$45,192). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**
20. To see if the Town will vote to raise and appropriate the amount of Ten Thousand (\$10,000) to be placed in the Municipal Computer and Equipment Expendable Trust Fund (current balance \$23,432). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1 ¾ cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**
21. To see if the Town will vote to raise and appropriate the amount of Thirty Six Thousand Dollars (\$36,000) to be placed in the Milfoil Treatment Expendable Trust Fund (current balance \$13,982). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0).

(Recommended by Budget Committee 7-0). (Tax rate impact: 6 cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**

22. To see if the Town will vote to raise and appropriate the amount of Ten Thousand Dollars (\$10,000) to be placed in the Cistern Construction and Maintenance Fund (current balance \$23,981). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 1  $\frac{3}{4}$  cents per \$1000 of assessed valuation). **PASSED VOICE VOTE**

23. To see if the Town will vote raise and appropriate the amount of Twenty Five Thousand Dollars (\$25,000) to be placed in the Police Vehicle Revolving Fund (current balance \$2,271). Said funds to come from fund balance (surplus). This is a special warrant article per RSA 32:3, VI. (Recommended by Selectmen 4-0). (Recommended by Budget Committee 7-0). (Tax rate impact: 0 cents). **PASSED VOICE VOTE**

24. To see if the Town will vote to modify the elderly exemptions from property tax in the Town of Barnstead, based on the assessed value, for qualified taxpayers, to be as follows per RSA 72:39-b:

For a person 65 years of age up to 75 years of - \$30,000; for a person 75 years of age to 80 years - \$40,000; for a person 80 years of age or older - \$50,000.

To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other for at least 5 consecutive years. In addition, the taxpayer must have a net income in each applicable age group of not more than \$30,000, or if married, a combined net income of less than \$45,000, and own net assets not in excess of \$75,000 excluding the value of the person's actual residence and the land upon which it is located up to the greater of 2 acres or the minimum single family residential lot size specified in the local zoning ordinance.

(Recommended by Selectmen 4-0). **PASSED VOICE VOTE**

25. To see if the Town will vote to approve the annual Lease Agreement between the Town and Butler Bus Company for the purpose of leasing the town-owned land on South Barnstead Road to Butler Bus Company to allow the parking of Butler's school buses. Butler Bus pays property taxes on that portion of the property that is used. (Recommended by Selectmen 4-0).
26. To see if the municipality will vote to raise and appropriate the Selectmen's recommended sum of \$4,295,391 for general municipal operations. The Budget Committee's recommended sum is \$4,215,930. This article does not include appropriations by special warrant articles and other appropriations voted separately. **PASSED VOICE VOTE**

**BUDGET COMMITTEE'S FIGURE \$4,215,930**

27. To transact any other business that may legally come before this meeting.
